Sub-section (1) of section 44 of the Karnatak University Act provides that no person shall be appointed as a teacher of the University except on a recommendation of a Committee of Selection constituted for the purpose. From the words "constituted for the purpose" of appointment read with the provision that" the Head of the University Department in the subject for which the teacher is to be appointed is to be a member of the Committee" it appears that it is contemplated by the section that more than one committee can be appointed.
